Quick Cod

Ingredients

1 1/2 pounds cod, cut into 4 portions
2 lemons
Salt and pepper to taste

Directions

1. Arrange cod in a microwave-safe glass dish. Sprinkle with lemon juice from 1 lemon and salt and pepper to taste.
2. Cover and microwave on high for 2 to 3 minutes. If the fish is almost done (most of it flakes easily with a fork), cover it and let it sit for a minute to finish cooking. If it isn’t done, cook for another 30-60 seconds until fish is flaky.
3. Serve with remaining lemon, cut into wedges.
