Ramen Noodle Pad Thai

Ingredients

- 2 cups boiling water
- 1 (3-ounce) package ramen noodles
- 1 cup canned or frozen mixed vegetables or finely chopped fresh vegetables (such as coleslaw mix)
- 2 tablespoons peanut butter
- Other optional seasonings: 2 teaspoons lime juice &/or chile-garlic paste or hot sauce to taste
- Protein such as tofu, cooked chicken or other meat or beans

Directions

1. Place ramen noodles in a mixing bowl and pour boiling water over noodles (cover if possible); let sit 2 minutes.
2. Once noodles have soaked, pour out all but 1/2 cup of the water and add remaining ingredients including seasoning packet.
3. Toss together until noodles and vegetables are well coated in peanut butter. Heat to desired temperature as needed.
